Re: L1630200005 -- St. Clair County
Sauget Sites (Area I, II)

Dear Mr. Takacs:

This will respond to your letter of October 13, 1989,
regarding the meeting that is scheduled for November 15, 1989
with respect to the above-referenced matter.

As you know, my client, Sterling Steel Foundry, believes
it is not properly a party in this matter because it had no
connection with the Sauget Sites until 1982 when it purchased
the assets of the former operator of the foundry, Sterling Steel
Casting Company. On behalf of my client, I have requested that
it be released from this matter, and I have provided IEPA with
supporting documentation. We will continue to cooperate with
IEPA while this documentation is being reviewed. Accordingly,
we will attend the meeting that will take place on November 15
and await the further details mentioned in your letter.

Please call me if you have any questions.

Very truly yours,

Alphonse McMahon
